## Artist Statement

I'm Kotomi, a self taught artist.

I use materials such as graphite and colour pencil and enjoy bringing out emotion in my works.

"Man" is drawn using pencil and charcoal, and "Man and Dog" is drawn using pencil and pastel. "Dried King Protea" is drawn using pencil.

I've been an NZAFA member since 2018, in 2019/2020 I received the people's choice and curator's awards during the summer exhibition, and became an NZAFA Elected Artist in 2020.
