

Matariki 2010

10 July 2010 to 1 Aug 2010

Open theme and works in all media accepted

During Matariki, we celebrate our unique place in the world. We give respect to the whenua on which we live, and admiration to our mother earth, Papatūānuku. Throughout Matariki, we learn about those who came before us. Our history, our family, our bones. Matariki signals growth. It's a time of change. It's a time to prepare, and a time of action. During Matariki, we acknowledge what we have and what we have to give. Matariki celebrates the diversity of life. It's a celebration of culture, language, spirit and people.
